

AWARENESS OF TRENDS IN TECHNOLOGY

GUEST LECTURE ON “BRAIN COMPUTER INTERFACE”

DATE- 31 August 2018

No. of Participants-28

A guest lecture on the topic “Brain Computer Interface” was organized. The lecture was delivered by Dr. Anurag Sharma, Principal of CT Institute of Technology and Research, Jalandhar. During the session, various topics such as Artificial Intelligence, its importance and scope, EEG Systems and concepts of Neurons and Neural Networks etc. were discussed. The lecture provided an insightful overview of Brain Computer Interface Technology. Principal Dr. Parvinder Singh and staff members of the college welcomed the guest and honored him with memento for his valuable contribution to the session.

WORKSHOP ON QUANTUM CHEMISTRY AND SPECTROSCOPY

Date- 28 And 29 September 2018

No. of Students Participated: 30

A two-day lecture workshop on Quantum Chemistry and Spectroscopy sponsored by Indian Academy of Sciences, Bangalore; Indian National Science Academy, New Delhi and National Academy of Sciences, Allahabad was organized by the PG Department of Chemistry in collaboration with the Career Counselling Cell. The primary objective of the workshop was to highlight the principles of spectroscopy, from fundamental concepts to its analytical applications across various interdisciplinary fields. The workshop covered all major areas of spectroscopy like IR, NMR, Microwave Spectroscopy, and fundamentals of quantum chemistry in detail. Esteemed speakers included Prof. E. Arunan (Department of Inorganic and Physical Chemistry, Indian Institution of Sciences, Bangalore), Prof. N. Sathyamurthy, (Jawaharlal Nehru Center for Advanced Scientific Research, Bangalore), Prof. N.D. Kurur, (Department of Chemistry, IIT, New Delhi) and Prof. K.S. Vishwanathan (Department of Chemical Sciences, IISER, Mohali).

GUEST LECTURE ON "HARNESSING THE POWER OF SUPERCOMPUTERS TO MODEL AND DESIGN PROTEINS"

Date- 13 November 2018

No. of Participants- 25

A guest lecture on "Harnessing the Power of Supercomputers to Model and Design Proteins" was organized by Dr. Rajni Ratti at SGGS Khalsa College, Mahilpur. Dr. Amandeep Singh, Scientist at Arzeda Corporation, Seattle, delivered an insightful talk on protein engineering, its applications, and future energy prospects. He emphasised the role of proteins in biological functions and their potential in the field of engineering biology. The lecture provided students valuable insights into research for societal and environmental advancements. Dr. Parvinder Singh, Principal of SGGS Khalsa College, presented the Guest of Honour award to Dr. Amandeep Singh. Faculty and students from the Chemistry Department attended the session.

National Science day (2018-2019)

28th February, 2019

National Science day was organized by Departments of Sciences sponsored by Indian Science Congress Association, Regional Chapter, and Patiala on 28th February, 2019. The theme for this year was 'Science for people and people for science'. 228 students of different colleges and schools of the Hoshiarpur region participated in this event. On this occasion motivational and inspirational talks were delivered by Dr N.R. Dhamiwal, Executive Member (Indian Science Congress Association, Regional Chapter, Patiala), Dr Trilok Singh, Convener (Indian Science Congress Association, Regional Chapter, Patiala), Dr S.S. Pahil Executive Member (Indian Science Congress Association, Regional Chapter, Patiala) and Dr I.J.S. Bansal, Prof Department of Human Genetics. Various events including essay writing, poster presentation, poster making and model presentation (dynamic as well as static) were presented by the students of Chemistry, Physics, Mathematics, Botany, Zoology, Agriculture and Computer Sciences. The winners of these categories were presented with cash prizes, certificates and token prize by the Principal, committee members and members of Indian Science Congress Association, Regional Chapter, Patiala.

WORKSHOP ON ENTERPRENURESHIP AND SKILL DEVELOPMENT

1-04-2019 to 30-04-2019

No. of Students: 25

The Career Counselling Cell of SGGs Khalsa College Mahilpur organized a month-long workshop on Entrepreneurship and Skill Development in collaboration with the Babu Ji Hari Singh Basi Entrepreneurship Centre. The workshop was designed for students from the B.Sc. Fashion Designing, B.Voc. Horticulture, and Arts fields. Throughout the month, students gained valuable insights into personality development, becoming successful entrepreneurs, setting life goals, launching new businesses, and managing the tools for a successful career. Key activities included field visits to various business locations, such as KVK Bahawal, the Department of Horticulture Hoshiarpur, the Center of Excellence for Citrus Fruits Khanaura, Preet Makeover Salon and Academy, Aishwarya Beauty Parlour, and Nice Beauty Parlor. The workshop also covered market analysis, product selling, and pitching business ideas.

LECTURE ON ENTREPRENEURSHIP AND AGRICULTURE

Date: 27 April 2019

The Department of Horticulture in Hoshiarpur organized a comprehensive field trip for students, offering hands-on learning experiences soil testing methods, observed sophisticated machinery, and learned about soil sampling and plant disease management. The Farm Implements section showcased a variety of farm machinery, including imported and government-provided equipment, used for tasks like manure distribution, pruning, and pest control. The students also visited a unique cold store built by Israel, which operates without electricity, utilizing ammonia gas and agriculture waste for cooling. The trip further includes visits to mango and citrus orchards, polyhouses, and greenhouses, where students gained insights into plant protection techniques and propagation methods. This immersive field trip provided students with a valuable opportunity to apply theoretical knowledge to practical settings and develop a deeper understanding of horticulture practices.
